

## Privacy terms BackWatcher

This privacy policy explains how the personal data collected through the website and the software BackWatcher is used.

BackWatcher Website:

We use Google analytics as a tracker to anonymously get statistics on our website frequentation. You can delete the cookies used by Google analytics with your browser.

BackWatcher Software:

ALL THE WEBCAM STREAM IS PROCESSED LOCALLY, NO IMAGE OF THE WEBCAM OF THE USER IS COLLECTED.

The only data taken by BackWatcher is the data given by the user himself when he registers to get the BackWatcher pro plan and when he gives his email to download the app.

The registration can ask name, e-mail, country, age, phone number and job.

We can use these data to send you information about our products and services and to make some internal analytics.

We respect all the European and American regulations about privacy, so you have at any moment:

- (a) the right to access - you can ask for copies of your personal data;
- (b) the right to rectification - you can ask us to rectify inaccurate personal data and to complete incomplete personal data;
- (c) the right to erasure - you can ask us to erase your personal data;
- (d) the right to restrict processing - you can ask use to restrict the processing of your personal data;
- (e) the right to object to processing - you can object to the processing of your personal data;
- (f) the right to data portability - you can ask that we transfer your personal data to another organization or to you;
- (g) the right to complain to a supervisory authority - you can complain about our processing of your personal data; and
- (h) the right to withdraw consent - to the extent that the legal basis of our processing of your personal data is consent, you can withdraw that consent.

We will warn you if you have registered by e-mail for any changes about our privacy policy.
